GUIA DE PRODUCTOS

An aerial photograph of a desert landscape. In the foreground, there is a large pile of light-colored, angular rocks. Beyond the rocks is a vast, flat desert floor. In the middle ground, a dense, dark green forest of trees forms a thick line. To the right of the forest, a large, circular, vibrant green area, likely an oasis or a protected agricultural zone, stands out against the surrounding desert. The sky is a clear, deep blue, and the overall lighting suggests a bright, sunny day.
